THE GLOBE

Welcome to The Globe

The Globe is one of the oldest remaining pubs in Perth and located in the original Globe Hotel.

The modern Globe pays tribute to its origin in a popular drinking and dining space where colonial charm meets modern design. The main bar features a vertical garden, heritage brick wall, timber floorboards, original stain glass windows and spills into the beer garden. One of the best places to eat in Perth's CBD, The Globe features a large vibrant beer garden and bar, designed to make the most out of Perth's sunshine.

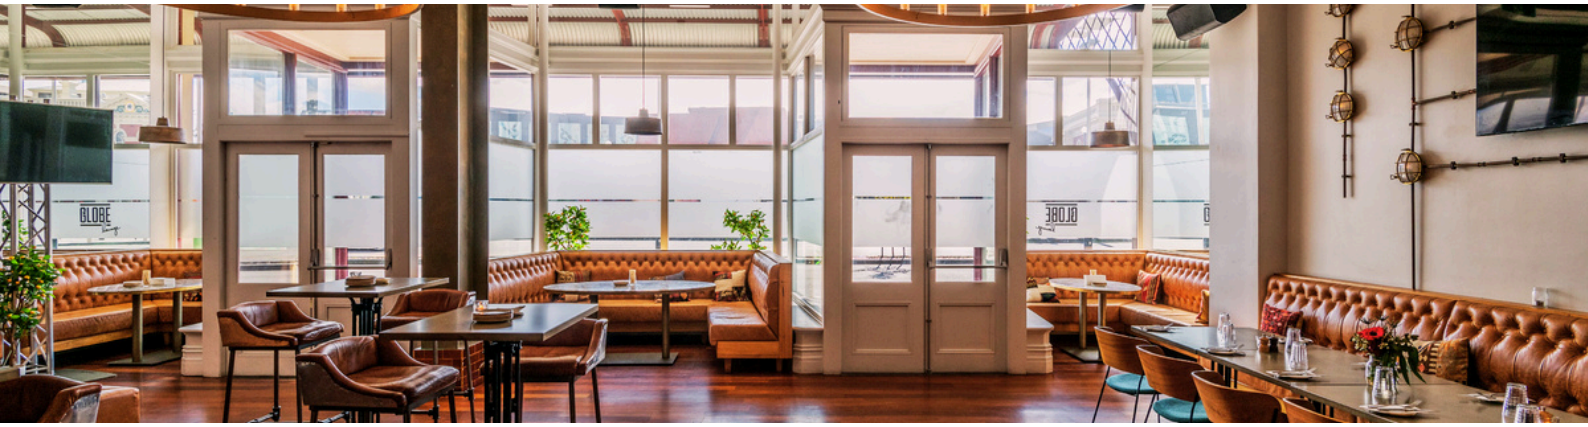

The modern Australian menu serves up something for everyone, from bar bites to burgers, and shared platters. An extensive beer list of international and local brews means you will be spoiled for choice, and the seasonally updated wine and cocktail offers something new with each visit. The Globe offers a variety of private and semi-private function spaces, ideal for any size and style of event. It is the ideal meeting place for birthdays, engagements, corporate events or casual group gatherings.
